# NOTES & NEWS

## SAFE ENVIRONMENT CLASS here at St. Hilary's!

The Archdiocese of Philadelphia requires that any adult that works/volunteers in any area that comes into regular contact with children complete "Safe Environment Training" (SET). Regular contact is defined by the Archdiocesan policy as once a week.

St. Hilary's will host this training **TONIGHT, January 17th, at 7 pm.**

This session includes the "**Online Addendum**" to the core Safe Environment Training. This shorter portion will be presented at **6:30 pm.** If you have done SET but not this particular component, you can come at 6:30 pm and stay only for the "Online Addendum" portion and then leave.

This training is **REQUIRED** of any volunteer. Having the session on-site is a great convenience and **IT IS EXTREMELY important that you attend.**
