April 9, 2012

Dear St. Hilary Students,

Thank you very much for creating and delivering the many Easter basket centerpieces to Face to Face last week. Each beautifully decorated basket helped to enhance the warm, inviting atmosphere that we work so hard to create in our dining room.

As you know, communities and individuals living on the margins of society are the first ones to feel economic downturns. We at Face to Face work in the marginalized community of East Germantown, and see firsthand how quickly a person or family can slip into harder times. We are here to help prevent them from falling into homelessness, to ease their suffering, and to be a truly welcoming neighbor.

Your support brought joy to many people on Sunday and we cannot thank you enough. We know that organizing a project like yours takes many hours of work and planning. Please extend our gratitude to everyone who contributed to your festive donation and let them know how much we appreciate their kindness.

We absolutely love St. Hilary School!

Sincerely,
