To Our Parents Who Volunteered for Ladies Night Out

Thank you!

Thank you!

Thank you!

Your continued affirmation of our school gives us hope!!

We as a School Community offer this prayer for you

Today, our friends, we are leaving our heads for a while. We are on a journey to our hearts. We are taking each of you with us to the oven of our hearts, to the very center where God lives. We are taking you separately one at a time. We take you there to remember you well.

With love, our God talks to us there in the oven of our heart and shows us why it's part of heaven's plan that you became a part of our heart.

We remember you walking into our days. We reflect on all the ways you've been grace to our hearts. We remember the times you have been sacrament to us. We are grateful for your presence in our lives.

When people touch us deeply it is our heart that remembers. And so, we remember you lovingly, dearly. We cherish you, and then we leave you there, somewhere in the oven of our heart. We find great joy and comfort in your love. Through you our hearts have been refreshed.

Macrina Wiederkehr

This past Friday evening we came together as a community to celebrate the gift of our CHILDREN at Ladies Night Out. Our largest fundraiser of the year, not only raised "funds" for our school, but raised many hearts in gratitude to Our Lord for the gift of the families of our school. Words cannot express the appreciation of the administration, faculty, and children for the "bounty of people" who worked together on Ladies Night Out. The magnitude of hours so quietly given to the preparation before hand, the joy of Friday night, and the hours in the days following to wrap up the event are not taken for granted. Your good will, generosity, and commitment to our children and Catholic Education is both inspiring and a blessing. We are proud to say that the same Spirit that directed the St. Hilary Community to follow the Way, the Truth, and the Light for the past 50 Years is alive in our school today and is the seed of our Hope for the future!!!
