

NOTES & NEWS

HSA Note: If you are not already familiar with the **Events/Announcements** section of the website, please do check it out. As we are reducing the number of flyers, this area of the website is a very handy spot to view each notice. Thanks!

To help us prepare for the **gingerbread house decorating craft** offered at Pizza with Santa and the Christmas Festival, it is very helpful that you preorder. There is a preorder form on the website or you can just email us at **hsa@shsedu.com** and let us know if your children plan to decorate one. Thank you!

Please also order your **tickets** for **Pizza with Santa** (order form on website). You may also email us to let us know you plan to attend and then pay at the door. It is always helpful for planning to have an estimate of attendance. Thank you!

Thank you to everyone who has offered to **bake** so far! It's looking like we will have a nice selection to sell. Mrs. Fagan has granted an opportunity to reward the students with a **DRESS DOWN DAY** if we receive 50% participation in each class!! So in a class of 30, if 15 families submit an item, the students in that class will get a dress down day. Thanks again!
